

# 15PC LOTION APPLICATOR SPA SET

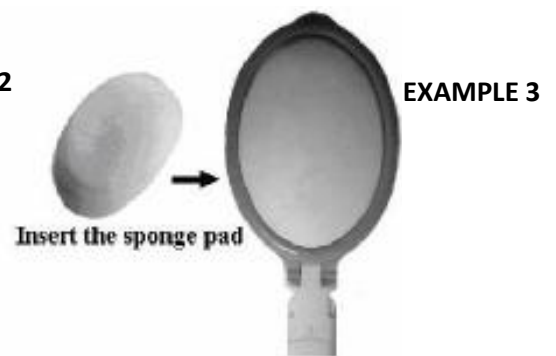

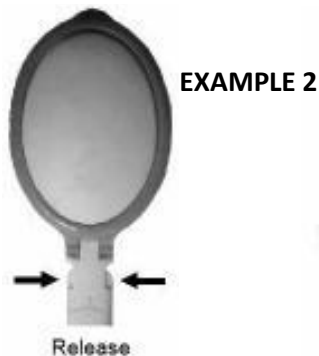

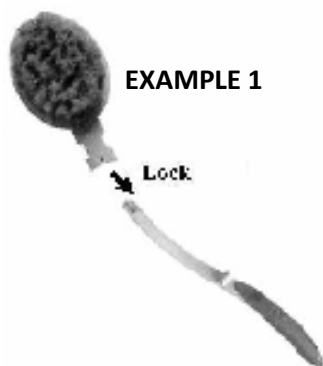

## Set Includes:

- 1pc Foldable Ergonomic Wand
- 1pc Loofah head
- 1pc Pumice Stone head
- 1pc Bath Sponge head
- 1pc Lotion applicator head
- 10pcs Lotion pads

## Instructions:

- Unfold the ergonomic wand until you hear a "Click".
- Insert the desired head on the wand until you hear a "Click" locking the head in place (See Example 1).
- Release the head by pressing both sides simultaneously on the connection point of the wand and the attached head (See Example 2).
- To insert a lotion applicator pad into the head pull back the frame of lotion applicator head, place the pad on the inside of the head and close the frame (See Example 3). After the pad is inserted, evenly spread lotion on the pad for application.

## Cleaning Instructions:

- Wash heads before initial use.
- Hand wash with soapy water
- Air dry.
